

# JULIE ELISE LANDRY

## FULL BIO

Julie Elise Landry grew up in New Orleans, Louisiana, and spent the beginning of her adult life in Monroe, Louisiana. Her versatile graduate degree in English launched her career as a writer, editor, tutor, teacher, reporter, and communications professional. Though she has never been a lawyer, she did work in a law office once.

She adores bourbon, musicals, and violent horror movies, and she tends to oscillate between dreamy silence and involuntary loudness.

In 2015, she published her debut dark fantasy novel *Bless the Skies*. Her writing has appeared in publications such as *The Sigma Tau Delta Rectangle*, *The News-Star*, *Aftermath*, *Foggy Road*, and *The Write Life*.

Julie lives farther from New Orleans than she likes with a man named Paul and without anything that requires her time or attention to continue existing.
